# Graduate Diploma in Teaching Profession

## International 2 Year Program

### About the Program

The Graduate Diploma in Teaching Profession program directly addresses the scarcity of competent and highly qualified teachers to handle the ever-increasing educational needs of communities throughout Thailand. It is devised to address the continually changing demands of education in The Kingdom. It also promotes much-needed educational reforms, as mandated by the Ministry of Education, which aim to keep abreast of current trends and be globally competitive through meeting ASEAN Economic Community standards. The program is fully equipped with required on-line education facilities and resources, providing an ideal opportunity for working professionals.

### About St Theresa International College

Established in 2000 to provide education based on international standards, St Theresa International college offers internationally accredited programs leading toward Bachelor, Diploma, and Master degrees. The college and the programs are fully accredited by the commission of Higher Education, Ministry of Education.
